To Whom It May Concern.

As there are so many false reports circulated about Judge J. S. Owsley, Jr., we temperance Democrats independent of the "Anti-Saloon League," send out this circular letter to correct them, and give facts.

We copy a letter from the pastor of the Presbyterian church:

Stanford, Ky., April 27, 1909.

Rev T. W. Barker, Stanford, Ky.
Dear Brother Barker,—In answer to your inquiry in regard to Judge Sam Owsley, I am glad to state that he united with my church the first of last January, and has since that time lived a consistent Christian life.

Fraternally Yours,
J. L. YANDELL,
Pastor of Presbyterian Church.

We also copy Judge J. S. Owsley's letter to the Anti-Saloon League:

Stanford, Ky., April 3, 1909.

To the members of The Anti-Saloon League of Lincoln County:—

Dear Sirs: Your letter of April 2, 1909, enclosing copies of the proposed "County Unit Bill" and "Anti-Blind Tiger Bill," requesting me to answer you as soon as possible, stating whether or not I am in favor of these bills becoming laws, has just been received. In reply will state I am in favor of both bills becoming laws, and in favor of all other legislation necessary to enforce local option. I have never failed to vote for local option whenever that question has been submitted to a vote of the people.

Yours very truly,
J. S. OWSLEY, JR.

You see Mr. Owsley takes a positive stand on the right side. He has always been in favor of Local Option.

All that has been said about him being drunk since he joined the church is false. We have investigated every charge we have heard of, and find them all false. It is not a question of what Mr. Owsley has been, what is he now? We are standing by him because we have faith in him, and believe that he is sincere. We appeal to all Temperance Democrats. Be careful, do not make a mistake. If Mr. Owsley is nominated it means a victory for Temperance Democrats. If he is defeated it means a victory for the liquor party.

MANY TEMPERANCE DEMOCRATS of Lincoln County are hearing the Expense of this publication, without the knowledge of Hon. John Sam Owsley. If you want to verify this statement write to any minister of the Stanford Churches.—Danville Advocate.

Lived 152 Years.

Wm. Parr—England's oldest man—married the third time at 120, worked in the fields till 132 and lived 20 years longer. People should be youthful at 80. James Wright, of Spurlock, Ky., shows how to remain young. "I feel just like a 16-year-old boy," he writes "after taking six bottles of Electric Bitters. For 30 years kidney trouble made life a burden, but the first bottle of this wonderful medicine convinced me I had found the greatest cure on earth." They're a godsend to weak, sickly run down or old people. Try them. 50c at Penny's Drug Store.

The old axiom, "There is no sweet without its bitter," will be grievously illustrated if Col. W. P. Walton (having sold the Kentucky State Journal) does not remain in the journalistic field, of which he is conspicuously a shining light. In fact, his failure to do so would resolve itself into a universal loss to the State, and to his party—an irreparable blow. For such rare and precious talents as he possesses in this line of labor should not be withdrawn in the zenith of its power, but continue to radiate, light and aid and cheer to his fellowmen.—Somerset Journal.

This colt is worth counting miles to see and is subject to inspection at any time. His sire was the champion show horse for years, and his dam Baby Pence was the unbeaten show mare for years in Kentucky. We class this colt as one of Kentucky's best stallions. Will let him serve a few approved mares at \$25.00 to insure a living colt. Mares pastured at \$5.00 per month, but not responsible should accident occur. W. O. WALKER, Stanford, Ky.

STOP!

Did you ever stop and figure how much cheaper we can sell a better Buggy than the so-called good buggy that sells at \$135 to \$150? We can save you \$15 to \$25 on each. Why? We sell direct. We can make just as cheap as the man in New York, Chicago or St. Louis, or anywhere and we can save you the profit of hauling, drayage and freight and drummer, and the greatest of all is the dealers profit.

Let us figure with you; we have the latest improved machinery; we have a wheel drill that drills a wheel in 3 minutes; we have a sandpapering machine that will do the work of 12 men; our emery and sand belt machine has no equal. Our flexible drill machine will drill 2000 holes in buggy shafts and bodies in a day. How does this figure in drilling by hand. Give us a call. We paint old vehicles and make them look like new.

HONEYMOONS in balloons "up around the little stars sailing around the moon" are no longer novelties, but a birth on an airship is something out of the ordinary.

A Spanish aeronaut sailing from Barcelona, could not resist his wife's importunities to let her go along. The couple was overtaken by a storm and the excitement resulted in his wife giving birth prematurely to a boy. There is an old saying that there is nothing new under the sun. This item, however, appears to show that there is an exception to that as well as to most rules.

With all the talk about peace Congress and arbitration, the preparation for war goes on apace, and seeming to defer the happy time when swords are to be beaten into plowshares and nations know of wars no more. Last year nine nations launched war ships that cost \$125,000,000, ours being no mean second to any of them. This vast sum has to be raised by taxes wrung from the pockets of the people, who ought to rise in their might and refuse to be bled any more for such useless expenditures.

SEVEN grafters got theirs at Pittsburgh last week; a bank president, a hotelkeeper, three councilmen and others. The sentences ran from 18 months to two years. Rascals elsewhere should make a note of this and take warning.

The governor of Pennsylvania has vetoed the bill to allow the judge the alternative of sentencing first degree murderers to death or life imprisonment. He is right. Death alone should follow proven and malicious murder.

THE Nicholasville Tribune, G. W. Boner and J. L. Sowers editors, is the newest entry into the journalistic field. It claims to be independent in politics which virtually means it will support republican nominees.

T. M. GILMORE, president of the National Model License League, asserts that the christian faith is being sacrificed for the benefit of the prohibition movement. Don't that jar you?

FIVE Negroes have been electrocuted and two more are likely to be for the murder of a white woman in Virginia. That is one way to reduce the fungus growth population.

THE Aldrich bill increases the duty on lemons. The republican party is dead sure of being handed one if such increases are permitted to stand.

THE conviction of the Whittier boy's kidnappers with a stiff sentence will make that horrible species of crime considerably more odious.

EVERY day brings news that our terrible Teddy has killed some more lions. Wonder what he is going to do with so many dead ones?

THE ex-Sultan of Turkey has over \$7,500,000 to the good, but what is that if it is to be divided out in dowry to his 4,000 wives?

"WILLIAM, THE SMILING," is the name given President Taft by the Kentucky State Journal, and a very good one it is.

POLITICAL.

Joseph G. Cannon, Speaker of the House of Representatives, reached his 73rd birthday Friday.

Republicans and "sore head" democrats of Livingston county fused and nominated a county ticket.

The Senate, by a vote of 53 to 19, adopted the amendment fixing a rate of 1 1/2 cents a pound on the lead in lead ore.

The joint resolution for the disfranchisement of Negro voters in Florida was defeated by the House. The resolution passed the Senate.

Congressman Nicholas Longworth, of Ohio, denies that he has been offered the position of ambassador to Germany by President Taft.

Dr. William Taylor was shot and killed at West Point, Ga., by his stepson, M. H. Beck. Family troubles are reported to have been the cause of the shooting.

In an editorial in the Outlook, former President Roosevelt discusses the Japanese situation. He says that while the United States should wait to see if Japan can prevent emigration to this country, the United States should increase the size of its navy in order to be in position to enforce any demands it might hereafter make.

After a hearing lasting three days, involving the disputed nomination for Commonwealth's attorney in the 10th Judicial district, composed of the counties of Nelson, Barren, Larue, Bullitt and Hart, the District Democratic Committee awarded the certificate of nomination to Judge F. E. Daugherty, of Nelson county, by a vote of 3 to 1. The primary was held last December and J. Lewis Williams, of Barren county, had a plurality of 229 votes on the face of the returns. Judge Daugherty, who finished second, promptly instituted a contest, alleging that J. Lewis Williams was disqualified on the ground that he used money and whisky to influence the result in violation of the regulations prescribed for the primary.

MATRIMONIAL.

Chester Tyree and Miss Stella Eversole, popular young people of London, were married Friday.

W. D. Lowry, of Nicholasville, and Mrs. Nannie Woodcock, of Danville, were married in Lexington last week.

The marriage of Miss Bessie Elkin to Mr. Richard Menefee Newland, of Stanford, took place Wednesday evening at 8 o'clock at the Christian church. Miss Elkin entered the church with her father and was met at the chancel by Mr. Newland and his best man, Mr. Thomas D. Newland, of Danville. Little Misses Virginia Cowherd and Ellen Franklin were flower girls. Masters Parker Cheatham and John Williams acted as pages. Miss Letty Webb was a most charming maid. Messrs. Thomas and Walter Elkin were ushers. During the ceremony Mrs. Frank C. Cowherd sang "Call Me Thine Own." Mrs. Kennett also rendered a beautiful musical program. Shortly after the ceremony Mr. and Mrs. Newland left for an extended Southern trip.

Louisville Times. The groom is the eldest son of Mr. and Mrs. Thomas D. Newland, of this place, and is a clever gentleman and a prominent insurance man. His bride is well known and greatly admired here. After their bridal tour Mr. and Mrs. Newland will return to Stanford and go to house-keeping in the Pennington home on East Main Street. A hearty welcome awaits the popular couple.

THE Dentists in the State are showing more than the usual amount of interest in the coming annual meeting of the Kentucky State Dental Association, to be held at Crab Orchard Springs May 17, 18 and 19. Arrangements are being made to make this meeting the largest and best in the history of the Association. Dentistry, unlike many other professions, has made such rapid strides in recent years, that the numerous text books on its different branches are only a few years old, are almost worthless; making it almost obligatory for the progressive dentist to attend these meetings or be conceded a back number. A feature of this meeting will be the part taken in the program by the local societies that have been recently organized throughout the State. Each society has elected an essayist and a number of clinicians, which will make this a unique and interesting meeting. Several of the local societies of the State will attend in a body.

GALTON 12910.

Season of 1909.

Sire of Calvin J., 2:19 1/2, Al Burns, 2:20 1/2, and others. This stallion from 2:20 to 2:25, those are the only ones that were ever handled for speed. Also the sire of one dam with one in the 2:20 list. Sired by Gambetta Wilkes 2:18 1/2, the sire of 20 in the 2:20 list, 16 in 2:10 and better, claimed to be the greatest sire in the world. 1st dam Daisy Field (grand dam) by records of from 2:17 to 2:20 1/2, by Enfield 2:20, son of Hambletonian 10, dam by Seely's American Star. Enfield 2:20 has 6 in 2:20, his daughters have 60 in 2:20 or better, 2nd dam Quickstep by Kentucky Prince, Jr., sire of J. Q. 2:17 1/2, Lamonde, 2:27 1/2, and dams of 15 in the 2:20 list. 3rd dam by Old Joe, sire of the dam of J. Q. 2:17 1/2.

Galton carries the blood of four leading stallions: Hambletonian, Wilkes, Manbrino and Seely's American Star.

Galton's colts have gone against and defeated the best in harness classes and recorded as high as \$1,000 after maturity, yearlings from \$100 to \$500. Galton will stand at my stable 2 miles west of Hustonville on Bradfordville pike at \$10 to insure a living colt. Money due if mare is traded after being bred. Plenty of grass at \$2.50 per month, saved expressly for mares, no other stock mixed with mares, have grass lots and large stables for mares to foal. Grain fed at cost.

DON VARRICK.

This magnificent bred young stallion will make the season of 1909 at my stable at Stanford, Ky. (better known as Dr. Bailey place) at \$10 to insure a living colt.

Don Varrick is 16-2, a beautiful chestnut, short back, heavy bone, in fact the highest type of the trotter. He is by the great, Grand Silver 2:05 1/2, that won the \$5,000 Transylvania in a seven heat race in 1902 and the same year won the \$10,000 Bonner Memorial and the M. & M. in broken heats and sold for \$21,000 and inter sold for \$25,000. Don Varrick is bred exactly like the Spanish Queen that won the \$5,000 Transylvania in 1902, making a record of 2:07 and was classed as one of the big four, being one of the greatest money winners on the grand circuit last year. Grand Silver is by Onward, one of the greatest and best sons of George Wilkes. Onward's dam was the dam of Director, the sire of that great family of trotters and pacers. Don Varrick's 1st dam was by Wilkes boy, George Wilkes, a full sister to "The Wag" 2:10 1/2, and half sister to Madeline Patchen, the dam of Rubber, 2:10, Whitehead, 2:10 1/2, Billy Wagon 2:10 1/2, and Miss R 2:20; 2nd dam Mrs. by George's Grey Eagle, the dam of The Wag 2:10 1/2, Madeline Patchen, the dam of Rubber 2:10, Whitehead 2:10 1/2, Billy Wagon 2:10 1/2, and Miss R 2:20.

Don Varrick's dam produced Dr. Conner that paced a public half mile on the Lexington track at 16 months in 1:50 1/2 and sold to S. W. Hollinger, of New Haven, Conn., for \$11,000. He also produced Magic Leo that trotted a half mile on the same track at 16 months in 1:11 and sold for \$500.

Please note the rich inheritance of speed on both sides—not a missing link for generations. Bred to this fellow and you can't miss the three things every breeder looks for—size, speed and looks. See him before looking your mares. Season money due when mare is traded or parted with. Care taken to prevent accidents but will not be responsible for accidents or escapes.

DR. G. PERRY, Stanford, Ky.

As Pretty As A Picture.

We often say, and this is a case where the young man can look as fine as the man in this cut. This is one of our styles at \$17.50, \$20 and \$25 in a dozen different shades. They are the best ready-to-wear clothing Stanford ever had.

H. J. McROBERTS, Stanford, Ky.

SEASON OF 1909.

We will stand at my farm near Procherville the well-known stallion Anderson Jack, which has perhaps gotten as many filly colts as any jack in the county, at \$10 to insure a living colt. Will also stand the splendid Procherville stallion, Red Rex, Jr., by Red Red, he by Rex Pavilion, at \$10 to insure a living colt. He will be permitted to serve only a limited number of mares.

W. P. HICKS & LESTER BELL, Procherville.

SAMPSON

Will make the 1909 season at my farm where I live, 1 1/2 miles north of Stanford on the Somerset pike at \$10 to insure a living colt. This young jack's colts won more premiums in 1907 and 1908 than any jack in the county. His two best colts have never been beaten in their class as colts and yearlings and look like winners for 1909. They were shown at all local fairs both years and at Lexington and Kentucky State Fair in 1908. His best colts was 1st winner at Kentucky State Fair and in several local fairs. Some of his 1907 and 1908 colts are on my farm to show for themselves.

J. H. BAUGHMAN, Phone 46, Stanford, Ky.

"Black Joe"

Will make the season of 1909 at our stable, 1 1/2 miles Northwest of Stanford, Ky., at \$10 to insure a living colt. Black Joe is by Preston 922, Kentucky's greatest middle-stallion, he by Washington 51; Black Joe's 1st dam Lucie by Messenger Denmark; 2d dam Little Robinson by Robinson's Vermont; 3d dam by a very fine individual black with one white foot; stands 16 1/2 hands, weight 1,500 pounds; 4 years old; lines direct and true. In harness he is a very fine individual. See him before you book your mares.

Season due if mare is traded or parted with. All care will be taken to avoid accidents, but not responsible should any occur.

J. D. BAILEY & SONS, Stanford, Ky.

GOLD BOND

Speedy son of the Wilkes family. Foaled May 6, 1908. Red Bond, Red Wilkes, Old George Wilkes, Hyndale's Hambletonian. Dams—Gambetta Wilkes (the greatest living sire of trotters). 2nd dam O. F. Clay (sold for more money than any horse ever brought to Boyle county). 3rd dam St. Elmore. (St. Elmore produced 1st and two 2nd performers in the 2:20 list. She is in the blood mare list.)

This colt is a handsome, dark bay, 15 1/2 hands; of great substance and style. Can show a forty mile without any track handling. Is level headed, easily handled, should transmit great form, style and speed to his colts, which should sell readily at fancy prices. Will make the season of 1909 at my farm midway between Danville and Stanford on the Short pike at \$10 to insure a living colt. Will be handled for speed after season.

A. G. T. SMITH, R. F. D. No. 2, Box 21, Stanford, Ky. Phone 118-A, Danville.

REVERSA 47162.

15 1/2 hands, foaled in 1908, bred by G. & O. P. Ocell, Danville, Ky. Trotted a mile in 2:40 with three weeks' handling. Sired by Gambetta Wilkes 4659, 2:10 1/2; 8th in 2:20 list, 16 in 2:10 list, 42 in 2:15 list, 88 in the 2:20 list, 212 in the 2:30 list. Grand sire of 310 trotters and pacers with records of 2:00 or better. One of his great grand sons is credited with 1 performer and his descendants in 2:30 list, all told, are now about 675 in number. 1st dam Pink Star by Manbrino Starlight 491, sire of 16 and dams of 62, including Gaiety 2:05, Foxy Card 2:07, Chesley 2:10 and others.

2nd dam Martha, by Lyle Wilkes 659, sire of 7 and dams of Beale Leach 2:04 1/2, John T. 2:05 1/2, Oling 2:11, and 22 others. 3rd dam Eliza, by Imp. Buckden. Reverses will make the present season at the stable of James McKechnie near Hustonville at \$10 to insure a living colt.

LEADER. At the same time and place I will stand, the 16-hand black jack formerly owned by M. B. Embanks. He is a fine individual and his colts speak louder than words of his qualities as a breeder. This will be the third season. \$10 for mare; \$10 for horse; \$10 for colt.

J. E. McKECHNIE, Hustonville, Ky.

While we are here to build the Lincoln county court house and, should the building fever strike you, why not have a little talk with us? We are in a better position to build you a nice Brick Dwelling or A Neat Business House

being able to buy all materials cheaper and therefore are in position to put a building up for a considerable lower price. Nothing too large or too small and the distance will not stop us from figuring with you, matters not where you live. We invite any prospective builder to give us a trial. We furnish all plans any specifications for such buildings that we might erect, free of charge.

Howe's Great London Show is the cleanest and best circus on the road and the promoters richly deserved the harvest they reaped here. An immense crowd attended the afternoon performance and at night the big tent was more than half filled. The features are all new and good but the work of the Ty-Bell sisters and the three little Japs is deserving of especial mention. The trapeze acting was the best ever seen here. Mr. W. A. Rhodes, the gentlemanly press agent, made many friends here by his courteous treatment of our people.

SPEAKING—Judge M. C. Saufley spoke to a large and enthusiastic crowd at Walton's Opera House yesterday afternoon but a lack of space prevents and extended mention of it. Judge Saufley has a number of speaking appointments in this county this week, a list of which appears elsewhere. At the conclusion of his caustic remarks, Rev. T. W. Barker, who had been criticised to some extent, spoke briefly.
